

European Union

CE Marking

Taylor Hobson products conform with all applicable legal requirements of the European Union (EU) for CE marking. The CE Mark on the product label indicates that Taylor Hobson has checked that products meet all applicable EU Essential Requirements, Standards and Directives as declared on the 'Declaration of Conformity' included with the product.

Machinery directive

Products are designed to meet applicable elements of the European Union Machinery Directive 2006/42/EC.

REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals)

Taylor Hobson is fully compliant with the European Union REACH Regulation (EC) No 1907/2006. Taylor Hobson products are described as complex articles under the REACH Regulations.

In accordance with the requirements of the EU REACH Regulation Article 33(1), details of products that include articles containing more than 0.1% by weight of a REACH Substance of Very High Concern (SVHC) are provided on the Taylor Hobson website. The information details the name of the SVHC and if additional safe handling requirements apply.

RoHS (Restriction of Hazardous Substances)

Taylor Hobson product are fully compliant with the EU Directive 2011/65/EU + 2015/863.

WEEE (Waste Electrical and Electronic Equipment)

Taylor Hobson equipment complies with the EU Directive 2012/19/EU and is marked with the "wheelie bin" symbol indicating that it must NOT be disposed of in landfill or with general waste. The product must be disposed of according to local or national legislation pertaining to electrical equipment.

EU Radio Equipment Directive

Taylor Hobson is compliant with Directive 2014/53/EU – Radio Equipment for products utilizing wireless connectivity such as Bluetooth®.

United Kingdom

On 23 May 2024, the UK government passed legislation “Product Safety and Metrology etc. (Amendment) Regulations 2024” to continue indefinitely recognizing EU requirements, including the CE marking, for a range of product regulations.

This new legislation covers recognition of the most common EU directives including:

- The restriction of the use of certain hazardous substances in electrical and electronic equipment (Directive 2011/65/EU)
- Eco-design requirements for energy-related products (Directive 2009/125/EC and all implementing Regulations for specific product groups that have been adopted under this Framework Directive)
- Electrical equipment designed for use within certain voltage limits (Directive 2014/35/EU)
- Machinery (Directive 2006/42/EC)
- Electromagnetic compatibility (Directive 2014/30/EU)
- Radio equipment (Directive 2014/53/EU)

Taylor Hobson products fall under the scope of regulations whereby we can continue to CE mark for the UK market.

Switzerland

The Swiss Chemicals Ordinance 813.11

Taylor Hobson is compliant with all requirements of the Swiss Chemicals Ordinance 813.11, “ChemO”.

USA

FDA code of federal regulations

Radiation-emitting products*

Taylor Hobson products utilising laser technology comply with FDA Laser Notices 50 and 56 and will be labelled accordingly. The USA Federal Register (Vol. 84, No. 89 / Wednesday, May 8, 2019) issued the following guidance: "Laser Notice No. 56 will not replace the recommendations provided in that 2007 guidance, and manufacturers can follow either Laser Notice No. 50 or 56".

- **Notice 50**

The product meets all the requirements of 21 CFR 1040.10 and 1040.11 except for deviations pursuant to FDA Laser Notice No. 50, dated May 2001.

- **Notice 56**

Complies with 21 CFR 1040.10 and 1040.11 except for conformance with IEC 60825-1 Ed. 3., as described in Laser Notice No. 56, dated May 8, 2019.

California OEHHA Proposition 65

Proposition 65 entitles consumers to special warnings for products that contain chemicals determined by the state of California to cause cancer and birth defects or other reproductive harm.

Whilst Taylor Hobson products do not cause any harm when used as designed, warning labels are provided to comply with Proposition 65.

* Only applicable to those products containing laser devices.

China

Measures for the Administration of the Restricted Use of Hazardous Substances in Electrical and Electronic Products

Taylor Hobson products are manufactured to meet the requirements of GB/T 26572-2011 (Requirements for concentration limits for certain restricted substances in electronic and electrical products).

Products are marked with an Environmental Protection Use Period label.

Hazardous Substance declarations for all products are available on the Taylor Hobson Website.

Part Name 零件或组件名称	Toxic or Hazardous Substances and Elements 有毒的、危险的物质和元素					
	铅 (Pb)	汞 (Hg)	镉 (Cd)	六价铬 (Cr6+)	聚溴化联苯 (PBB)	聚溴化苯基醚 (PBDE)
PC 和显示器	×	○	×	○	○	○
